

# PHYSICIAN DISPENSING

Workers Comp | Cash & Carry | Commercial Pharmacy Billing

## *Did You Know....*

Physician dispensing is easy and uses pre-packaged containers eliminating the need to count pills.

As one of the top three ancillary services utilized for ease of use, low cost, and profitability, dispensing has been adopted by many physicians to enhance their patient outcomes and revenue.

MedXSales can help setup a dispensing program for your office or enhance your existing dispensary! Contact the representative below for more information.
